Look in your farm share box. Now look in your fridge. Now look back in your farm share box. Do you see these tomatillos? Man, that's a lot of tomatillos. Decide to make salsa.

Take five tomatillos. No, take fifteen tomatillos. Two small yellow onions. A generous handful of cilantro. A peeled whole lime. Two habaneros. Two pinches of salt.

Put it in the whizzer. Push the button. Turn the whizzer off. Pour the salsa into a bowl.

Get a cocktail shaker. Put some ice in it. Add the salsa juice. Isn't it pretty? Add six shots of tequila, three shots of Cointreau, and the juice of two more limes.

Shake. Serve in sugared glasses.

With nachos made with raw milk cheddar and some honey goat cheese from Trader Joe's, because it's in the fridge.

Isn't it pretty? It raises the dead.

Seriously, get over here before I break my diet and drink it all.
